

Summary of Parish pastoral Council meeting January 2020

- Christmas mass was well attended and a lot of good will was shown.
- We would like to see younger people volunteer for preparing the Church.
- Eventually preparation for the sacraments will no longer be the responsibility of the schools. It will be the responsibility of the Parish. We have an effective Baptism Team which we are thankful for so we will need to look into something similar for preparing those children for Communion and Confirmation.
- Nothing to report on Child Protection.
- Teen Hope is an initiative that focuses on teens. The Blanchardstown branch is looking for volunteers.
